

**NEW:**  
The Chubb safes Europa provides the highest level of protection for cash and valuables to international standards

# Europa

BURGLARY PROTECTION

## Key Features

- High quality cash safe protecting cash within an office environment with a high level of security of Grade 3 to 5.
- The Europa range is tested and conforming to EN1143-1.
- Passive and active relockers are incorporated into the boltwork to resist attack.
- Chubb safes special barrier material is applied in the construction of the safe to protect against varying kinds of burglary attack.
- Each safe can be equipped with high quality fittings to maximise storage requirements.
- The Europa can be customised with a choice of locking options, deposits, shelves and lockable drawer deposits in order to meet customer requirements.
- Base fixing is standard on all models.

## Testing

A range of attack tools are used in the testing of Chubb safes Europa products from basic tools to the sophisticated tools like oxy-acetylene.

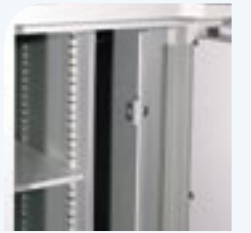

The Europa has been tested to the highest quality in its class against attack.

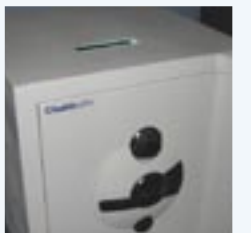

## Customising

Please ask for further assistance on how we can customise your storage requirements for secure, convenient use.

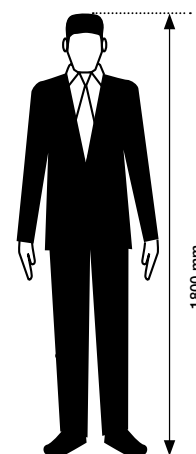

- Inner compartment as specified by customers

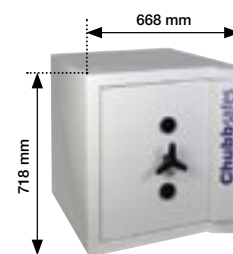

- Envelope slot with anti-fish device

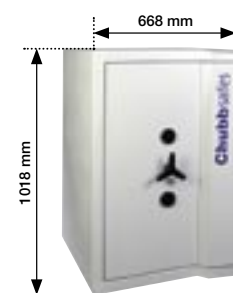

- Drawer deposit front or rear

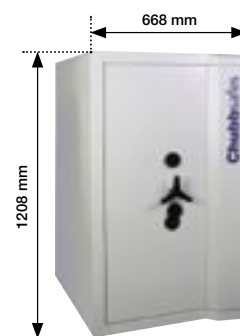

NB: Fire protection is only available on sizes in Grade 0 to II
